HOUSE BILL NO. 447.

Executive Office,
State of Texas.

Austin, April 2, 1909.

To the Secretary of State:

I herewith transmit for file in the office of the Secretary of State House bill No. 447 without my approval. This is an act by which it was intended to amend Chapter 121 of the Acts of the Twenty-ninth Legislature, the same being an act to prevent the keeping of certain fruit trees affected with yellows and other dangerous and injurious diseases and destructive pests, and providing for the destruction of such diseased trees, etc. This bill is disapproved because the same is not responsive to the caption of the act, and is defective in many respects which are apparent upon an examination of the same.

T. M. CAMPBELL,
Governor of Texas.
